## EXECUTIVE SUMMARY

B.Tech Computer Science undergraduate skilled in full-stack MERN development and building dynamic, user-friendly web solutions. Strong in communication, teamwork, and problem-solving with a focus on usability, responsiveness, and clean design. Passionate about leveraging technology for real-world impact and committed to continuous learning and innovation.

## SKILLS

Python ,HTML ,CSS ,Bootstrap, SQL, Microsoft Excel ,Team work & collaboration, Creative ,Adaptability , Leadership

## WORK EXPERIENCE

**Data Analytics and HR Intern,**                                     05th June 2024-20th June 2024
**TATA International Limited**

- As a Data Analytics and HR Intern at Tata International, gained practical experience at the intersection of data science and human resource management. Actively contributed to real-world projects centered on analyzing employee attrition, measuring engagement levels, and interpreting HR data using various analytical tools.

**Web Development & Designing Intern ,**                              05th June 2025 - 15th July 2025
**Oasis Infobyte**

- Developed responsive, user-friendly web applications with a focus on usability and performance. Enhanced front-end development skills in design, optimization, and clean coding practices. Gained practical exposure to real-world web development projects.

## EDUCATION

**Bachelor of Science in Computer Science Engineering**              Aug 2022- Present
Hindustan Institute of Technology and Science
7.8 CGPA

**Higher Secondary Certificate (HSC)**                               Jun 2021 - Jun 2022
Sri Shakthi Vinayagar Matriculation Higher Secondary School
Score: 70%

**Secondary School Leaving Certificate (SSLC)**                      Jun 2019 - Jun 2020
St Columbus Higher Secondary School
Score: 60%

## PROJECTS

1. **Object Detection Using ESP32-CAM** – Built a real-time low-cost surveillance system using a pre-trained ML model.
2. **Employee Attrition Analysis** – Predicted attrition trends using statistical methods and ML to support HR strategies.
3. **Blood Donation Management System** – Designed a system to streamline donor registration and blood inventory tracking.
4. **IoT Security Management Using Kaa Platform** – Designed a secure IoT system with encrypted communication and intrusion detection.

## CERTIFICATIONS

- **TATA-**Data Analytics and HR Internship Certificate
- **Oasis Infobyte-**Web Development & Designing Internship Certificate
- **Accenture**- Software Engineering Job Stimulation Certificate
- **infosys Springboard**- HTML-5 Certificate
